

TORO®

Count on it.

HoverPro® Series

**HoverPro® tackles
tough undulations,
steep slopes and
banks with ease.**

HoverPro® Series

The Toro HoverPro is perfect for maintaining turf on steep slopes, tight undulations, areas near water or bunker lips. A light footprint makes the HoverPro easy to operate while its rugged design ensures years of quality performance.

HoverPro makes light work of challenging terrain.

HoverPro 400

HoverPro 450

HoverPro 550

Cutting Systems
